Members of the Fifty-sixth Legislature

In accordance with Section 5-12-302, MCA, I submit the Legislative Fiscal Report for the May 2000 Special Session. There are two primary features of this report. The first is a revised general fund balance projection for the 2001 and 2003 biennia, reflecting the actions taken in the May special session. The second is a bill-by-bill summary of fiscal action taken in the special session.

This report is intended as a reference document and historical archive of legislative budget action for the use of legislators, the public, and state agencies.

Respectfully submitted,

Clayton Schenck
Legislative Fiscal Analyst
